While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and

It's powered by a 17.5 HP Briggs and Stratton® single-cylinder engine featuring a 42-in. steel deck. Its 7-speed transmission, paired with its low-back seat, will help you comfortably maneuver through 18-in. radius turns with ease. The optional mulching kit allows you to mulch grass clippings and return nutrients to your soil for a healthy lawn.
