The OASIS regulations apply to HHAs that must meet the home health Medicare Conditions of Participation (CoP). An agency that currently must meet the Medicare CoP under Federal and/or State law will need to meet the CoP related to OASIS and the comprehensive assessment. If an HHA operates under a Medicaid waiver, and if that

It teaches the technical perspectives of building model, and I can mechanically build the models. The bottleneck is I don't know how to understand/fine tune the assumptions, interpret the output of the models, and find the key driver of the business. Facing a 100 page long financial statement, I'm just not sure how to start and "connect the dots".
