The spare wheel "hold down strap" is a stupid design that nearly always gets lost. Almost every BA or BF Falcon is missing the strap. The common Ford diff bushes problem started with these cars and the hand brake mechanism is just stupid. Moving forward, commonly known for transmission faults. Engine

The Ford Barra engine has become a hot topic on the Internet today as 'Barra' has become a byword for serious power and performance. Barra is short for Barramundi, a fierce Aussie fish and perfect codename the Aussie engineers used when developing the engines for the all-new BA-series Ford Falcon , including the 5.4-litre three-valve V8s.
