To speak of Frozen, you can't help but feel the emotions of Elsa and Anna in your own heart, you share their pain and loss and fear. You share their joy and love. This is the true love found in families (and those you consider family) where you are willing to sacrifice even your life for the sake of those you love.

...

Frozen II feels so different from any other Disney animated film. There are plenty of those that do fantasy, but this is the first one (except maybe for The Black Cauldron) to go for EPIC fantasy. I really loved the various legitimately challenging magical forces the characters have to deal with. ... The music was awful, but the animation was ...
