Anything with a \* next to it represents content that is brand new to GCSE Maths for the 2017 exams. Here is a suggestion for how you might use these resources: Choose a topic you think you need to practice

### GCSE Maths Takeaway Revision on Mr Barton Maths

OxfordAQA International GCSE Computer Science devotes the whole of Paper 1 to a programing task - so programming skills make up half of this qualification. That makes for a motivating, hands-on course. It enables you to teach computing as a real science, one in which practical application of skills is at the heart of your teaching.

### International GCSE Computer Science - OxfordAQA

Programming. Students need a theoretical understanding of all the topics in this section for the paper 1 exam even if the programming language(s) taught does not support all of the topics. Exams will always present algorithms using the current version of the AQA pseudo-code. The document can be found on the AQA website.
