Mitsubishi will only sell Nissan-based models in its home market of Japan, according to an overseas report.. Nikkei Asia reports the company will stop developing car platforms for the Japanese market and instead use only Nissan platforms from around 2026.. This will free up research and development investment for electric vehicles and other technologies.

#### Mitsubishi expanding use of Nissan platforms - report ...

The Kool-Aid, Mickey Mouse, and Spam brands all have spawned secondary or alternate and negative non-trademark meanings that have become part of the English language, meanings in each case that lack positive brand associations, to say the least.

If Coca-Cola somehow ran into a severe cash drain, most banks would willingly issue out loans based on the company's identity. The one thing the company would struggle to recover from is the loss of its brand. If Coca-Cola lost its trademark registration for the brand, it would become just another nameless soft drink company in a sea of options.
