### The Closing Of American Mind

The Closing of the American Mind: How Higher Education Has Failed Democracy and Impoverished the Souls of Today's Students is a 1987 book by the philosopher Allan Bloom, in which the author criticizes the "openness" of relativism, in academia and society in general, as leading paradoxically to the great "closing" referenced in the book's title. In Bloom's view, "openness" undermines critical ...
