competition among organizations. Many aspects of Red Queen competition are well understood by managers of organizations, industry experts, and academics. But I have tried to develop these ideas into a theory that goes beyond the common-sense notion conveyed in the Lewis Carroll quote.

The Red Queen among Organizations: How Competitiveness ...

This article considers the 'Red Queen' effect, which was coined to describe the phenomenon whereby an organization embarks on a policy of continuous improvement simply to maintain its relative position within the industry. The extent to which this is applicable is affected by the 'logics of competition', a phrase which refers to the technological ...
