While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

### Ucas Personal Statement Examples Engineering

Every personal statement received by UCAS is added to our personal statement library, which means we're able to quickly identify if your personal statement is similar to someone else's. Once we receive your application, your personal statement is scanned by our Copycatch system - if your statement shows a similarity of 10% or more, it ...

### UCAS Personal Statement Tool - Learn what to write about

The art of engineering is applying scientific theories to design. The fundamental principles that are applied to products and structures are paramount and by studying engineering I am hoping to learn how engineers use these principles and then integrate them into designs. A design that has inspired me is the Falkirk wheel boat lift as it shows how solutions to engineering problems can be ...
