And, even fewer people feel like they know enough about it to be able to make an informed decision about whether or not to use it. For people using PrEP, you can't really feel or see PrEP working when you use it- so it can help to have a mental picture of what is happening each time you take a dose.

What is PrEP?

Job interviews should feel like a conversation, with two people asking and answering questions. You should follow the lead of your interviewer and prioritize giving them information about yourself, but know that interviewers expect you to ask questions, too. When you do, it shows that you have enthusiasm for and genuine interest in the job.
