In order to raise funds for our Patriotic Hearts programs we are asking companies to donate their e-waste to us. Those companies will receive a certificate of donation from our non-profit. We will hire US veterans to pick up and recycle their waste. And we will be able to fund the vital programs we provide with that assistance.

Hirepatriots - Solving veteran unemployment nationwide!

REQUIREMENTS FOR FOOD ESTABLISHMENTS IN NEBRASKA

Gangue minerals, once separated by mineral dressing processes of (most of) the valuable ore minerals and dumped in mine tailings may be a significant environmental impact. In particular, oxidation of pyrite, a common gangue mineral, is one of the main sources of acid mine drainage. Re-use. Minerals that were once thought of as gangue, and were dumped, may later find a commercial use.
